

I don't want anything replacing my FM translator that carries K-LOVE. K-LOVE provides me, personally, a positive and encouraging source of music, news, and information. As a community, I see many K-LOVE bumper stickers, and I hear many public conversations praising that station. If K-LOVE is displaced by an LPFM broadcaster, I would be so ticked. That station is the only one I listen to. I believe countless people in this community would be robbed of one of the VERY FEW radio stations that is wholesome and family friendly. So, please leave things as they are, PLEASE!

Sincerely, Kim Holman
